5/3/24

The European Technology Chamber is a registered NGO that enables European companies to use their technologies for the benefit of Europe and mankind - following our vision Technology obliges. As Europe's leading tech network, we are constantly enlarging our team to serve our network even better.

We are currently building our team and now searching for

Architectural Draftsman / Construction Technician (m/f/d) - 100% Remote

Your daily tasks:

Drawing support for our planning engineers, particularly in the areas of earthworks, civil engineering and special foundation engineering, e.g. landfills and contaminated

site remediation.

If necessary, developing your own solutions, depending on previous experience and training.

3D construction and modeling

What we are looking for:

Experience as a Draftsman / Construction technician.

Independent action, initiative and flexibility.

Teamwork and communication skills.

Empathy when dealing with customers.

Fluent English / German skills for writing reports independently.

Good knowledge of at least one foreign language would be advantageous.

We offer:

We stand for the vision of a better and more sustainable world - hand in hand with European technology companies. With the personalities who are active in our organization worldwide, you create a great network and inspiration for your daily work - also for your personal future. So you get the chance to grow with us and the whole EU Tech Chamber. Our offer is a role in a fast-moving international organization. If you are looking for an activity with meaning and real impact in a fast growing and truly international organization, apply now with your resume.
