

## Assistant Front end Developer

Apply Now

Company: Ascendeum

Location: Pakistan

Category: computer-and-mathematical

Ad Tech Strategy Consulting Ascendeum is your on-demand dream team. In today's high-speed world, business leaders want highly-processed business intelligence, ideas that challenge the status quo, and first-rate management to craft those ideas into reality. We are a consortium of consultants, process engineers, and approved vendors that provide strategic consulting as well as operations management right across the digital landscape. We believe that to provide you with strategic guidance, to be the catalyst for your company's growth, and to consistently deliver results over and over again, we have to function in ways that completely redefine the meaning of traditional consulting and managed operations. Visit us at [ascendeum.com](http://ascendeum.com) for more information.

### The Role

#### Job Responsibilities:

Meeting with the development team to discuss user interface ideas and applications.

Reviewing application requirements and interface designs.

Identifying web-based user interactions.

Developing and implementing highly-responsive user interface components.

Writing application interface codes using JavaScript, following libraries such as React.js or Angular.

Troubleshooting interface software and debugging application codes.

Developing and implementing front-end architecture to support user interface concepts.

Monitoring and improving front-end performance.

Documenting application changes and developing updates.

## **Ideal Profile**

Desired Skills and Experience:

Bachelor's degree in Computer Science, Information Technology, or a similar field.

Previous experience working as a Frontend Developer.

In-depth knowledge of JavaScript, CSS, HTML and front-end languages.

Hands-on experience with JavaScript libraries (e.g. React.js, React Native, and Angular).

Experience with user interface design.

Knowledge of performance testing frameworks.

Experience with browser-based debugging and performance testing software.

Excellent troubleshooting skills.

Good project management skills.

Thank you for your interest in joining Ascendeum.

## **What's on Offer?**

Excellent career development opportunities

Flexible working options

Work alongside & learn from best in class talent
