

Assistant Professor (Pakistan)

[Apply Now](#)

Company: Ismaili Centres

Location: , , Pakistan

Category: other-general

The Aga Khan University is looking for an Assistant Professor (Stem Cell Translational Vision Scientist), to join its team in Pakistan. As part of this role, the candidate will work on ophthalmology-based stem cell research and will be expected to conduct a vigorous program of independent, externally funded research, attract excellent trainees, mentor future researchers, and work in a highly productive collaborative environment. The ideal candidate will possess aPhD or equivalent degree and postdoctoral experience demonstrating outstanding achievement in a relevant biomedical subject area. To learn more or submit an application, please see the job posting . The deadline to apply is Friday, June 30.

#J-18808-Ljbffr
