Company: CDM Smith

Location: Pakistan

Category: other-general

CDM Smith's International Development Group bids on donor-funded infrastructure projects around the world. We are currently seeking candidates for the role of Chief of Party for an upcoming USAID-funded project in Pakistan. This position will be based in Islamabad, Pakistan and will involve regular travel to locations throughout Pakistan.

### Description of Overall Project:

The USAID/Pakistan Climate Smart Energy Activity (CSEA) aims to support the Government of Pakistan (GOP) in the implementation of its Nationally Determined Contributions (NDC) announcements of 2021. Through this activity, USAID will work with government, donor, and private sector partners in addressing climate change issues in the energy sector, including greenhouse gas (GHG) emissions. Although the focus of the project is reduction in energy sector emissions, the suggested project activities may also investigate adaptation.

### Position Description:

The Chief of Party (COP)/Team Leader will manage project performance, team leadership and technical management, including relationship with the client, USAID. They will ensure successful completion of all project objectives and will ensure project deliverables are met and completed on-schedule. In addition to relationship management with USAID, the
