

Data Analyst

[Apply Now](#)

Company: Saniyaimtiaz

Location: , , Pakistan

Category: other-general

A top-tier data analyst who loves to play with numbers, collect and organize data, and scrutinize extensive data using statistical tools to identify trends and patterns to make big decisions for the company. If you're one of those, who can turn raw data into interesting insights, reach out to us without wasting time.

What's In It For You? Are you a mathematics lover? And having strong analytical skills is the cherry on top. We are curious to know more about YOU and want you to provide accessible data in the form of graphs, charts, tables, and reports to solve problems and track business growth.

What You Will Be Doing: Analyze complex data sets and turn them into actionable insights. Develop and maintain reports using Excel and other reporting tools. Develop and implement data management strategies and best practices. Provide data-driven recommendations to support business decisions. Monitor and evaluate the performance of business processes and identify areas for improvement. Develop and maintain documentation related to data analysis and reporting.

Skills You Bring To Turn The Table: Strong analytical and problem-solving skills. Excellent communication and presentation skills. Able to work independently and as part of a team. Excellent written and communication skills. Should have ethics to gather accurate data and work with it. Proficient in using data survey softwares.

Preferred Qualifications: Great to have: Bachelor's degree in Maths, Statistics, Data Science, Economics, or related field. Proficiency in Excel and other reporting tools. Experience with data visualization and dashboard development. Experience in data analysis or reporting is mandatory. You can work with a view or check in to a cafe with perfect ambiance as we offer remote work. Set up your own schedule with flexible hours. Avail of unlimited learning resources for professional

development. We offer bonuses and rewards as a token of appreciation and recognition. When the cutest addition has come into your life, opt for parental love to see your bundle of joy grow. Feeling isolated eats away at you. We've got you catered! Our digital wellness program can help you to stay productive. Step: 2 Click on "Apply here" and land in the job description in detail. Step: 3 If things sound SUPERB for you, what're you waiting for? Submit your application, and others are also on the waiting list. Step: 4 You are upgraded to NEXT-LEVEL sooner you get a confirmation CALL from our sweetest HR. Interested? You know what to do. No need to be formal. Just send us your links and we'll be in touch. Full Name* Email Address* Phone* Resume* If you have been referred to Saniya Imtiaz by someone, please confirm the full name of the person in the box below (otherwise leave it blank) Let's Build Your Next Digital Product Looking to kick-off your project in the next 30-90 days?
