Diamond Fabrics Limited Jobs Officer Quality Assurance:

Organization: Diamond Fabrics Limited

Diamond Fabrics Limited, Sapphire is a rapidly growing textile business directing its efforts and main focus on developing innovative and sustainable textile manufacturing methods and practices. At Diamond Fabrics Limited, Sapphire, we believe in achieving collective growth, which is also the foundation of the evolution of our business and, collaboration, to build one world class team!

We are looking to add a member to our Quality Assurance (Store) team, who is an expert in conducting inspections through Quality Performance indicators and processes monitoring, product capability evaluations, performance reporting and benchmarking best practices. A good fit for this role would be ideally someone who has the ability to play a pivotal role in elevating the business to create a benchmark amongst best industry practices.

The major areas of focus and expertise for an ideal candidate are:

Execute all accessories verification and check processes according to IGP and GRN

Inspect accessories based on AQL and match with the requirements of the art work and the Tech Pack

Manage the accessories rejection process and liaison with the Marketing & MMC team to complete the return process

Support the production team to effectively incorporate quality checks into the system, ensuring high standards of quality are maintained which meet customer requirements

Collaborate with the Marketing team on matters of quality check and approval of accessories
Report product quality satisfaction indicators and incorporate feedback of customer
Perform all the required testing to evaluate the accessories as per quality standards
Keep a record of the required documentation for every product and report important updates

Good interpersonal, multitasking, analytical and pressure handling skills and has an ability to drive processes through innovation and ownership

Has at least 1 to 3 years of (relevant) experience in the Quality Assurance (Store) department of an apparel manufacturing concern.

Qualification Requirements: Masters/Bachelor's of Quality Management or an equivalent qualification.

The position will be based at the site in Feroze Wattwan, Sheikhpura.

Send your applications to latest by 12th Nov, 2023.
