Diamond Fabrics Limited Jobs Surveillance System Support Executive:

Organization: Diamond Fabrics Limited

Diamond Fabrics Limited, Sapphire is a rapidly growing textile business directing its efforts and main focus on developing innovative and sustainable textile manufacturing methods and practices. At Diamond Fabrics Limited, Sapphire, we believe in achieving collective growth, which is also the foundation of the evolution of our business and, collaboration, to build one world class team!

We are looking to add a member to ensure smooth functioning of the security and surveillance systems. A good fit for this role would be ideally someone who has the ability to play a pivotal role in elevating the business to create a benchmark amongst best industry practices.

The major areas of focus and expertise for an ideal candidate are:

Install and configure CCTV systems, including cameras, monitors, recording equipment, and related peripherals

Ensure proper placement and alignment of cameras for optimal surveillance coverage

Set up and program NVRs and other recording devices

Conduct regular maintenance checks on CCTV systems to ensure they are functioning correctly

Diagnose and troubleshoot technical issues related to cameras, cables, power supplies, and other components.

Perform repairs or replacements of faulty equipment and ensure timely resolution of issues.

Provide technical support to Users, both on-site and remotely. Work closely with security team to ensure requirements related to surveillance are fulfilled

Assist in the planning and execution of system upgrades

Ensure compliance with industry standards and regulations

Documentation of installations, configurations, maintenance activities and upgrades.

Ensure that documents are updated with major activities.

Good multitasking, interpersonal, analytical and pressure handling skills and has an ability to drive processes through innovation and ownership

Has at least 2 to 4 years of relevant technology experience

Qualification Requirements: MCS/BCS/BIT or an equivalent qualification

The position will be based at the site in Feroze Wattwan, Sheikhupura.
