

## Draftsman

[Apply Now](#)

Company: PLS Pte Ltd

Location: Pakistan

Category: other-general

PLS Pte Ltd is a dynamic company committed to delivering innovative solutions across diverse industries. Our vision is to lead globally by creating impactful solutions, while our mission is to provide exceptional value through expertise, collaboration, and creativity. We offer various services, including custom software solutions, cutting-edge technology, consulting, project management, and quality assurance. Our strengths lie in innovation, expertise, customer-centricity, and integrity. Join us to transform challenges into opportunities and drive growth together.

### The Role

Your responsibilities will include:

#### **2D and 3D Drafting:**

Create accurate 2D drawings using AutoCAD or SolidWorks based on project requirements.

Develop detailed 3D models that align with design specifications.

#### **Animation:**

Integrate animation elements into 3D models to enhance visualization and create dynamic presentations.

Collaborate with the design team to understand animation requirements and implement creative solutions.

**Collaboration:**

Work closely with engineers and other team members to ensure accurate representation of design concepts.

Incorporate feedback and revisions into drawings and animations as necessary.

**Quality Assurance:**

Conduct thorough reviews of drawings and animations to ensure accuracy and adherence to project standards.

Identify and rectify any discrepancies or errors in the drafting process.

**Documentation:**

Maintain organized and up-to-date documentation of all drawings and animations.

Assist in the preparation of design documentation for internal and external use.

**Ideal Profile**

We are seeking a skilled and detail-oriented CAD Draftsman with expertise in AutoCAD (ACAD) or SolidWorks to join our dynamic team.

The ideal candidate should possess strong proficiency in creating precise 2D and 3D drawings, along with the ability to add animation elements to enhance visualizations.

Preferable in factory automation related field.

If you are passionate about transforming concepts into detailed and visually appealing designs, we encourage you to apply.

You have at least 3 years experience including solid experience in a similar role within Professional Services, IT and Industrial.

You possess excellent communication and influencing skills, are organized and able to multi-task effectively.

You have working knowledge of ACAD, Solidworks and drafting

You pay strong attention to detail and deliver work that is of a high standard

You are a strong team player who can manage multiple stakeholders

You are highly goal driven and work well in fast paced environments

### What's on Offer?

Flexible working options

A chance to accelerate your career
