

Frontend Developer Intern

[Apply Now](#)

Company: Irsolutions

Location: Islamabad

Category: other-general

Job Description

We are seeking a talented and enthusiastic Frontend Developer Intern to join our team. As a Frontend Developer Intern, you will work closely with our experienced developers to assist in the design, development, and implementation of cutting-edge web applications. This internship offers an excellent opportunity to gain hands-on experience in a dynamic and collaborative environment.

Job Requirement

Responsibilities: Collaborate with cross-functional teams to understand project requirements and translate them into functional specifications.

Implement user interfaces following established design guidelines and best practices.

Write clean, efficient, and well-documented code.

Conduct thorough testing to ensure the quality and reliability of frontend components.

Participate in code reviews and provide constructive feedback to team members.

Stay updated on emerging technologies and industry trends to continuously improve skills and knowledge.

Support troubleshooting and debugging efforts as needed.

Contribute to ongoing projects and provide creative input for improvements and optimizations.

Collaborate with UX/UI designers to ensure seamless integration of design elements.

Qualifications: Bachelor's in Computer Science, Software Engineering, or related field.

Familiarity with frontend frameworks/libraries such as React, Angular, or Vue.js.

Basic understanding of version control systems such as Git.

Knowledge of responsive design principles and mobile-first development.

Ability to work collaboratively in a team environment.

Excellent problem-solving and communication skills.

Eagerness to learn and adapt to new technologies.

Prior internship or project experience in frontend development is a plus, but not required.#J-18808-Ljbfrr
