Full Stack Developer (m/f/d) - 100% remote

Full Time

Pakistan

Remote

With Professional Experience

4/15/24

The European Technology Chamber is a registered NGO that enables European companies to use their technologies for the benefit of Europe and mankind - following our vision Technology obliges. As Europe's leading tech network, we are constantly enlarging our team to serve our network even better.

We are currently building our team and now searching for

Full Stack Developer (m/f/d)-Pakistan-100% remote

Your mission:

During the next years EU Tech wants to improve its brand and increase its overall performance.

Your daily tasks:

Collaborates with Development Project Managers to ensure requirements are met and delivered accurately

Design, develop, and maintain efficient and scalable full-stack applications using Java and Angular technologies

Integrate CRM functionality into existing and new applications to enhance customer interactions and streamline business processes

Develop and optimize database schema and queries for efficient data retrieval and storage

Collaborate with UX/UI designers to translate design mockups into functional web applications

Develop robust and scalable server-side components using Java and related frameworks.

We are looking for:

You have a degree in Software Engineering or relevant field.

Relevant experience working on fast-scaling and complex systems

Solid knowledge of database design and optimization techniques.

Proficiency in Java, Spring Boot, Angular, HTML, CSS, and related technologies.

Experience with RESTful API development and integration.

Proven experience as a Full Stack Developer with a focus on Java and Angular technologies.

Strong understanding of CRM systems and experience integrating CRM functionality into applications.

Knowledge of cloud solutions cloud platforms (preferred Azure, AKS, Application Insights, Event Hubs, App Gateway)

Hands-on experience with MySQL, PostgreSQL

Knowledge of Java spring boot hibernate

Willing to engage in a changing and flexible environment.

Fluent in English

We offer:

We stand for the vision of a better and more sustainable world - hand in hand with European technology companies. With the personalities who are active in our organization worldwide, you create a great network and inspiration for your daily work - also for your personal future. So you get the chance to grow with us and the whole EU Tech Chamber. Our offer is a role in a fast-moving international organization. If you are looking for an activity with meaning and real impact in a fast growing and truly international organization, apply now with your resume.
