Job Opportunity for Candidates in Sialkot

We are looking for a qualified Graphic Designer who will design graphics for use in media products such as magazines, labels, advertising, and signage. … developing concepts, graphics, and layouts for product illustrations, company logos, and websites.

Responsibilities:

*Study design briefs and determine requirements

*Advise clients on strategies to engage target audiences

*Identify the best ways to illustrate and communicate clients vision while complying with design best practices

*Create designs using illustration, photo editing, and layout software

*Select colors, images, typography, and layout for communication materials, including websites, logos, signs, books, magazine covers, annual reports, advertisements, and social media posts

*Produce drafts for client review and make revisions based on feedback received

*Collaborate with other team members, such as marketing, sales, and business operations, throughout the various phases of a project

*Review designs for errors before they are printed or published

*Keep up-to-date with the latest design trends, tools, and technologies (Adobe Photoshop, Adobe Illustrator)

Requirements:

*Excellent IT skills, especially with design and photo-editing software

*Exceptional creativity and innovation

*Excellent time management and organizational skills

*Accuracy and attention to detail

*An understanding of the latest trends and their role within a commercial environment

*Professional approach to time, costs, and deadlines

We Offer:

*Attractive Salary Package

*Bonuses and Increment based on Performance

*Competitive Environment

At Mbin we offer a long-term job opportunity. To have a brighter future for both the Company and its Employees.#J-18808-Ljbffr
