[Apply Now](#)

Company: Al Futaim Arabia Group Pakistan

Location: Karachi Division

Category: other-general

AL FUTAIM ARABIA Group (AFAG)

Founded in Riyadh in 1982, AL FUTAIM ARABIA Group (AFAG) has gradually increased its capabilities and expertise to undertake several large scale projects simultaneously. The scope of work has evolved from basic construction to complex Design and Build projects with highly specialized specifications. The value of individual projects has risen to well over SR 4.5 billion.

Providing Specialized Services for 40+ Years

We Provide Solutions for a Better Tomorrow

We provide a wide variety of services through our 09 companies across the KSA – Pakistan & UK. Ranging from waterproofing to solar energy systems to architectural concepts, we strive for customer satisfaction by delivering high-quality work.

Our vision is to maintain and improve our leading position by satisfying customers with high-quality services and setting industry standards for quality and performance through continuous development.

The Role

Establishing business goals and objectives

Developing high quality business strategies and plans

Managing company operations

Driving business efficiency and profitability

Identifying and implementing process improvements

Designing business plans aligned with Company's strategy

Working with stakeholders to roll out business plans effectively

Ideal Profile

You have at least 16 years of experience, including solid experience in a similar role within Professional Services, Utilities, and Real Estate. You are a change agent with strong skills in driving change programs. Possessing excellent communication and business-facing skills, you are organized, able to multi-task effectively, possess strong analytical skills, and enjoy finding creative solutions to problems. You are a strong networker and relationship builder, willing to undertake 0-30% travel.

What's on Offer?

Work in a company with a solid track record of performance. Learn from best-in-class talent in a leadership role.
