

Inventory Management Expert

[Apply Now](#)

Company: The Ambr Group.

Location: Saddar Town

Category: business-and-financial-operations

A Little Bit About The Ambr GroupThe Ambr Group was formed after the merge of two global operators and acquirers of 3rd-party consumer products brands, Suma and D1 Brands in April 2023. We are founders, operators, and eCommerce veterans who have built and run companies with billions of dollars in online revenue. We love building brands and celebrating the entrepreneurs who get them started. We're always looking to add exceptional people who are ready for a challenge and to take our business to greater heights. If you are passionate about e-commerce and building the future of digital commerce, we would love to meet you!

The Ambr Group team comes from a wide variety of professional backgrounds and countries, but we all share a few core beliefs. Here are a few:

- We are fanatical about creating value for our brand sellers, customers, and Ambr Group's team members
- We'd rather write the rules than follow someone else's – there is always a better way to do things
- When it comes to building a world-class business, we shouldn't compromise between hard work and enjoying the journey – if we're not having fun, we're failing

Job Summary:D1 Brands is a fast growing business in the eCommerce space. You will be joining a fast paced environment that thrives on collaboration and critical thinking. Inventory management at D1 consists of storing, transporting, and distributing our finished products to different warehouses and fulfillment centers. As an Inventory Management Expert, you will have the opportunity to help D1 Brands manage 3PL relationships and inventory positions across 3PLs and FBA.

Key Responsibilities

- Near-term Stock PlanningTrack, report, and analyze inventory on-hand data within Amazon and 3PLs
- Monitor inventory levels and anticipate future supply and logistical needs
- Make quick decisions on near-term

stock levels to prevent stock-out situations
FBA Replenishment
Create shipments to send to Amazon FBA and Walmart Fulfillment Services
Leverage analytical skills to determine the optimal mode of transportation for inventory shipments based on cost and lead time (3PL carrier, Amazon partner carrier, UPS, Fedex, etc)
Coordinate the preparation and delivery of shipments with multiple 3PL partners
Track shipments and reconcile inventory at FBA and 3PLs
Stakeholder Management
Main point of contact to Brand Management regarding any Supply Chain inquiries
Collaborate with other departments within Supply Chain including Inbound Transportation, Purchasing, and Inventory Planning
Communicate with 3PLs regarding FBA replenishment and inventory position requests
Preferred Skills and Experience:
A minimum of 2 years experience in a similar role, experience in eCommerce and Amazon preferred
Moderate to advanced excel skills
Excellent communication across teams and functions, team oriented attitude
High level of ownership of work and responsibilities
Proactive critical thinking when presented with an ambiguous problem
What if I don't see a job description that fits my background?
If this position isn't a fit for your background, but you are still interested in The Ambr Group please consider sharing your resume via our General Consideration posting. Our company is growing fast and we love to meet great people along the way. We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity or expression, pregnancy, age, national origin, disability status, genetic information, protected veteran status, or any other characteristic protected by law.
