

Jr. Frontend Developers

[Apply Now](#)

Company: Kryptomind

Location: Lahore

Category: other-general

Kryptomind LLC is seeking passionate graduates, particularly those with a background in Frontend Development, to join us as Jr. Frontend Developers. This role offers an exciting opportunity to work alongside experienced professionals, contribute to cutting-edge projects, and enhance your skills in frontend development while making a meaningful impact on our products and services.

Key Responsibilities:

Collaborate with the development team to design, develop, and implement user-facing features for web applications.

Write clean, well-documented, and maintainable code following best practices and coding standards.

Conduct thorough testing and debugging of frontend components to ensure functionality and usability.

Stay updated on emerging frontend technologies, trends, and best practices, and propose innovative solutions to enhance user experience.

Collaborate with backend developers to integrate frontend components with server-side logic and APIs.

Qualifications:

Bachelor's degree or equivalent experience in Computer Science, Information Technology, or a related field.

Familiarity with responsive design principles and techniques, and experience building mobile-friendly web applications.

Understanding of web accessibility standards and best practices.

Solid understanding of version control systems such as Git.

Ability to work collaboratively in a team environment, communicate effectively, and adapt to changing project requirements.

Portfolio showcasing relevant frontend projects or contributions is a plus.

How to Apply:

Interested candidates are invited to send their resumes to careers@kryptomind.com. Please include "Jr. FRONTEND DEVELOPER" in the subject line of your email. This internship opportunity at Kryptomind LLC provides a platform for you to kickstart your career in frontend development and gain valuable experience in a dynamic industry. We look forward to receiving your application.#J-18808-Ljbfrr
