The European Technology Chamber is a registered NGO that enables European companies to use their technologies for the benefit of Europe and mankind - following our vision Technology obliges. As Europe's leading tech network, we are constantly enlarging our team to serve our network even better.

We are currently building our team and now searching for

Landscape Architecture / Architect(m/f/d) - 100% Remote

Your daily tasks:

Independent handling of projects in the area of property planning for outdoor facilities (HOAI) for private and public clients, primarily in central and southern Germany.

Project management including quality, deadline and cost control with the help of project control software.

Give professional advice to clients.

Participation in the development of interdisciplinary concepts for sustainable urban development.

What we are looking for:

A varied area of responsibility in collaboration with the disciplines of urban planning, nature, traffic, urban water, hydraulic engineering as well as energy and climate.

Approaches and methods for the sustainability of infrastructure projects.

A family-friendly, binding and appreciative corporate culture.

Flexibility in choosing a workplace in our offices at various locations and mobile working.

The opportunity to develop personally and professionally and to participate in the sustainable development of the company.

We offer:

We stand for the vision of a better and more sustainable world - hand in hand with European technology companies. With the personalities who are active in our organization worldwide, you create a great network and inspiration for your daily work - also for your personal future. So you get the chance to grow with us and the whole EU Tech Chamber. Our offer is a role in a fast-moving international organization. If you are looking for an activity with meaning and real impact in a fast growing and truly international organization, apply now with your resume.
