

Learning Content Specialist (Part-time)

[Apply Now](#)

Company: Snavhant

Location: Pakistan

Category: arts-design-entertainment-sports-and-media

The Offer

A competitive salary based on your experience and skills

The opportunity to work on exciting projects for top-notch clients

A fun and dynamic work environment, with a team of passionate and talented individuals

Continuous learning and growth opportunities to expand your skillset

Flexible working hours and the option to work remotely

Attractive freelance rates with performance bonuses

Work with our client brands to connect with a global audience

Build an impressive reel of relevant work

The Job

Can you write smart, instructional content on processes and applications? Do you understand how people learn? Are you passionate about making a difference in the lives of others?

Then we want to hear from you!

Our client is looking for a Learning Content Specialist who can help us develop and deliver content that helps our team work more knowledgeably and confidently. If you can go deep to learn and explain the standard processes and platforms we use to support our teams, let us

know.

Your responsibilities will include:

This position is a part-time, remote work gig

Successful applicants know that building great learning starts with being a good learner

You will be using screen video, process mapping, and narrative to explain processes

We are working aggressively to build our learning catalog of quality documentation

The Profile

Experience building and delivering learning and documentation

Ability to work following our learning format and take creative direction

Prior work in a BPO either in documentation or frontline is a major plus

Experience using Grammarly for proofing and plagiarism checks is a plus

Experience using Loom is a plus

Experience with Miro is a plus

If you think you have what it takes. If you look like a good fit for our project, we'll be in touch.

The Employer

Our client serves up smart, streamlined back-office work that leverages offshore talent and proven technology. Our client do the work: simple or complex, so you're covered.
