

Maintenance / Transport Officer

[Apply Now](#)

Company: Fast Cables

Location: Lahore

Category: other-general

Job Responsibilities:

Clean assigned vehicles, both interior and exterior, to maintain appearance, sanitation, and safety.

Drive buses to and from vendor locations, outlying schools, and along designated routes as required for student and staff transportation.

Inspect and prepare vehicles by cleaning, fueling, monitoring fluids, etc., to ensure safe operating conditions.

Maintain transportation department garages by keeping work areas clean, clearing debris, cleaning wash bays, and conducting minor building maintenance for a safe work environment.

Perform routine vehicle maintenance such as washing, refueling, and cleaning interiors to meet safety standards and regulations.

Repair damaged bus seats to maintain functionality and prolong usability.

Report any vehicle malfunctions or damage to the head mechanic to ensure safe operations.

For more details, contact us at sobiakhalid@fast-cables.com.
