About the Company

We are a fast-growing B2B technology company focused on revolutionizing the real estate industry with an AI-powered platform. Our team consists of experts in tech investing, management, and venture capital. The company is privately held, profitable since inception, and experiencing an aggressive growth cycle. Our technical team holds several citations and patents in the field of Artificial Intelligence and Machine Learning, which we utilize to monetize data on behalf of REITs using proprietary AI algorithms and a unique data management platform. The executive team has experienced two prior IPOs.
