

Research Associate, Department of Surgery

[Apply Now](#)

Company: Aga Khan University (AKU)

Location: Pakistan

Category: life-physical-and-social-science

Introduction

The Department of Surgery provides comprehensive and sub-specialty care in the areas of Cardiothoracic Surgery, Dental-Oral, Maxillo-facial Surgery, General Surgery, Breast Surgery, Neurosurgery, Orthopedic Surgery, Otolaryngology, Head and Neck Surgery, Pediatric Surgery, Plastic Surgery, Urology and Vascular Surgery.

This is a short-termed, grant-funded contractual position.

Responsibilities

You will be responsible for:

annotating data as per the standard benchmark allocated by the supervisor

managing computer work process to ensure effective use of time

ensuring all data confidentiality

being available for all standing meetings as per directive of immediate supervisor

providing administrative support as designated by immediate supervisor

managing and organizing datasets

assisting in marketing research projects

devising comprehensive marketing strategies tailored to research project's objectives

utilizing digital marketing channels including social media platforms, email campaigns, and search engine optimization (SEO) techniques to increase the visibility and reach of research projects

working closely with researchers to understand the key findings and significance of their projects, and effectively communicate these aspects to the target audience

organizing events such as webinars, workshops, and conferences to showcase research findings, facilitate knowledge exchange, and attract potential collaborators or investors.

Requirements:

You should have:

a Bachelor's degree in the relevant field. However, Master's degree will be preferred

at least one year of experience working in a reputable healthcare sector

ability to manage time and prioritize tasks effectively

sensitivity to the cultural differences

ability to be an excellent team player

good communication and interpersonal skills

resilience and ability to cope with work pressure

willingness to work in community setting (schools) and travel as per work requirements.
