

Senior Experienced WordPress Backend Developer

[Apply Now](#)

Company: Perfect Web Solutions

Location: Lahore

Category: other-general

7:30 PM to 3:30 AM (Night Shift)*Mandatory*

Must have a degree in Bachelors (BSCS, BSSE, BSIT). Applications from candidates without a degree in Bachelors will be rejected. *Mandatory*

Must have minimum 2 years of Professional Experience. *Mandatory*

We are currently looking for an experienced WordPress Backend Developer to join our team of professionals. The candidate will be responsible for developing and maintaining WordPress websites for our US-based clients, ranging from basic to extensive levels.

The ideal candidate should have a strong understanding of the core programming languages that form the foundation of WordPress, including extensive knowledge of WordPress core files, plugins, and theme customizations. You should have a track record of success in building and maintaining WordPress websites, along with proficiency in troubleshooting and maintaining existing websites.

As a WordPress Backend Developer, you will work alongside our team of senior and lead developers, who will provide guidance and support as you advance your skills and grow as a developer. The role requires a passion for WordPress development and the ability to code custom websites rather than relying on pre-built themes and plugins.

Essential Skills and Qualifications:

- Extensive knowledge of WordPress core files, plugin and theme customizations
- Proficiency in troubleshooting WordPress website issues and performing maintenance on existing websites
- Attention to detail for pixel-perfect development
- work
- Debugging and troubleshooting skills
- Strong knowledge of HTML, HTML5, CSS, CSS3, JavaScript, and jQuery
- Ability to write custom code from scratch
- Ability to optimize website

speed, ensure mobile-friendliness, and create responsive designs Ability to analyze business requirements and advise on the best way to implement them in WordPress Experience with WooCommerce and its add-ons Fast learner with an interest in new technologies If you are a passionate WordPress developer looking for an exciting new opportunity to work with a team of professionals, please apply for this full-time role. Job Type: Full-time Salary: Rs30,000.00 - Rs100,000.00 per month Ability to commute/relocate: Lahore: Reliably commute or planning to relocate before starting work (Required) Experience: SEO: 2 years (Required) Shift availability: Night Shift (Required) 7:30pm - 3:30am #J-18808-Ljbffr
