

Senior Flutter Developer

[Apply Now](#)

Company: Oxus Motors

Location: Pakistan

Category: computer-and-mathematical

Oxus Motors is a luxury, used and new car dealership. We sell to about 28 countries mostly located in Europe and Africa. Our inventory is not limited to only luxury cars, we sell most of type cars which fits in everyone's budget, that's the goal!

The Role

We are looking for a professional flutter developer who is passionate about converting creative ideas into reality and loves it. With a strong understanding of Flutter development and a proven track record of delivering complex apps and possess excellent problem-solving skills. If you are driven by challenges and want to be part of a fast-paced, dynamic environment, then this position is for you

Your responsibilities will include:

- 1 . **App Development** Develop and maintain robust and high-performance Flutter applications for both iOS and Android platforms.
- 2 . **Collaboration** Work closely with design and product teams to create innovative and user-friendly mobile applications.
- 3 . **Feature Development:** Collaborate with cross-functional teams to define, design, and ship new features.
- 4 . **Bug Fixing:** Work on bug fixing and continuously improve application performance.

Ideal Profile

You have at least 3 years of experience using the Flutter framework, ideally within a Software Architect or Software Engineer role.

You are highly goal-driven and work well in fast-paced environments

You pay strong attention to detail and deliver work that is of a high standard

You are a strong team player who can manage multiple stakeholders

What's on Offer?

Work within a company with a solid track record of success

Excellent career development opportunities

Leadership Role

Opportunity to relocate
