

## Senior Level .NET Core + Angular/React Developer

[Apply Now](#)

Company: CodeNinja Inc

Location: , , Pakistan

Category: other-general

About CodeNinja: CodeNinja is a leading software development company that specializes in delivering innovative and cutting-edge solutions to clients across various industries. We are a team of dedicated engineers and developers who are passionate about pushing the boundaries of technology and creating software that makes a real impact.

About the Role: We are seeking a highly skilled and experienced Senior .NET Core + Angular/React Developer to join our team. In this role, you will be responsible for designing, developing, and maintaining complex software applications using .NET Core, Angular, and/or React. You will work closely with cross-functional teams and stakeholders to ensure the delivery of high-quality software solutions that meet client requirements.
