Company: Object Synergy (Pvt.) Ltd

Location: Karachi

Category: other-general

## Senior .Net Software Developer

Object Synergy (Pvt.) Ltd, PakistanWe require talented and motivated developers to work on some serious Dot Net applications for big offshore clients. You will be managing offshore projects on your own and collaborating with other team members for design and analysis, so communication and project management skills are very important. You are required to have solid demonstrable experience of at least 5 years hands-on experience working in similar environments.
