

## Senior PHP Programmer

[Apply Now](#)

Company: Ohyrus

Location: Islamabad

Category: other-general

Ohyrus Inc. is an international digital media firm with a sales office in Buffalo, New York, USA and a development centre in Islamabad, Pakistan, with the later soon being shifted to CIE/TIC (Technology Incubation Centre), NUST. We are currently hiring senior PHP programmers with at least 3 years experience of working on custom and open source based PHP solutions. We offer a highly conducive and competitive work environment with the chance to work on some of the very exciting and challenging PHP-based projects and products. Great learning environment, regular refreshments, three salary increments each year, bonuses from time to time, employee of the month award for deserving employees, and other perks. Please send your CV along with details of the most challenging PHP project(s) that you have worked on.
