Company: NorthBay Solutions

Location: Pakistan

Category: computer-and-mathematical

Senior React Native Developer Experience: 5-8 years Location: Lahore - Karachi - Islamabad (Hybrid) Job Description: NorthBay looking of a highly skilled Senior React Native Developers with 5 to 8 years of experience in mobile development. The ideal candidate will have a strong proficiency in React Native, TypeScript, JavaScript, and REST APIs, coupled with hands-on experience in payment integration. A thorough understanding of the full mobile app development lifecycle, from prototyping to deployment, is essential for this role.

Experience in FinTech is highly desirable. Qualifications: Bachelor's degree in Computer Science, Engineering, or related field. 5 to 8 years of experience in mobile development, with a focus on React Native. Proficiency in TypeScript, JavaScript, and REST API integration. Experience with payment integration in mobile applications. Strong understanding of the full mobile app development lifecycle. Familiarity with DevOps tools such as Jira and Bitbucket. Knowledge of React Native testing frameworks like Jest and Enzyme. Excellent written and oral communication skills. Experience in FinTech is a significant advantage.

Responsibilities: Develop robust and scalable mobile applications using React Native, TypeScript, and JavaScript. Integrate payment systems seamlessly into mobile applications. Ensure the entire mobile app development lifecycle is executed efficiently, from prototyping to deployment. Collaborate with cross-functional teams to define project requirements and specifications. Utilize REST APIs and effectively document request models. Implement and maintain third-party libraries as needed. Utilize DevOps tools such as Jira and Bitbucket for project management and version control. Conduct code reviews and ensure code quality through tools like ESLint. Implement and maintain automated testing frameworks such as Jest

and Enzyme. Stay updated with the latest trends and technologies in React Native development. Demonstrate strong written and oral communication skills, facilitating effective collaboration with team members and stakeholders. Benefits: Competitive salary and benefits package. Opportunities for career growth and advancement. Dynamic and collaborative work environment. Training and development opportunities to enhance skills. Potential to work on innovative projects in the FinTech industry. Powered by JazzHR
