Senior UI/UX Website Designer For Wordpress Themes

Web Cause, PakistanWebCause Inc. is looking to hire a talented and motivated Senior UI/UX designer with experience of designing WordPress themes for Themeforest and WordPress repository from scratch.

About us

We're a friendly group of WordPress designers, developers, testers, and marketers having a great time building all things WordPress. We live WordPress and we breath WordPress.

Design Responsibilities:

Designing WordPress Themes for themeforest and WordPress repository.

Create new and original website designs from scratch for clients.

Designing social media graphic content, illustrations, and infographics.

Managing designs from conception to delivery.

Develop UI mockups, wireframes and prototypes that clearly illustrate how sites will function and look like.

Keeping up-to-date with modern standards in the design world.

Follow best practices for design file builds and packaging for development.

You will be designing:

WordPress websites

WordPress themes for WordPress repository

WordPress themes for Themeforest

WordPress plugins

WooCommerce websites

WordPress admin panels

Illustrations

Logos

Graphics for social media

Online marketing graphics

Infographics

And more

Requirements:

Proven work experience (3-5 years) as a UI/UX Designer or similar role.

Portfolio of design projects and links to live projects.

Knowledge of wireframe tools (Invision).

Firm knowledge and experience of Figma.

Extensive experience in Photoshop and Illustrator.

Up-to-date knowledge of design trends.

A keen eye for aesthetics and details.

Ability to generate fresh ideas.

Ability to work methodically and meet deadlines.

Job Specification Softwares & Skills:

Figma

Photoshop

Illustrator

Mockups

Wireframes

Web graphics

Communication:

Fluency in spoken English

Flexible hours and occasional work from home option.

Generous holidays (~20 days per year).

Health and medical coverage.

Healthy budgets for conferences, online courses and books (of your choice).

Company t-shirts, hoodies, beanies and other schwag.

Performances and annual bonuses.

Trips and leisure activities.

Compensation:

Salary and compensation is commensurate with experience. Not to worry. The pay is competitive and what you'd expect for this role.

To get considered, send us links to your online portfolio and live projects that you have worked on.

Read the job description thoroughly before applying.

Information Technology and Services - Lahore, Pakistan#J-18808-Ljbbfr
