Company: DigitalOcean

Location: Pakistan

Category: computer-and-mathematical

### What You'll Be Doing:

Driving resolution of root cause issues reported by our support team

Shipping code to resolve issues and stop future ones

Partnering closely with support on serving our customers

Creating playbooks for engineering and support to ensure smooth operations

Improving platform observability and operations

Contributing operational reliability as a member of the product on-call rotation

Collaborating with an agile, self-managed team of peers

Leveraging technologies such as Go, Temporal, gRPC, Kubernetes, Docker, Kafka, and more

### What We'll Expect From You:

A solid understanding of building and maintaining distributed systems

Proficiency in at least one of the following languages: Go, Rust, C/C++, Java, Python, Ruby. Golang is the lingua franca of DigitalOcean engineering teams. So while knowing it is not a requirement, being willing to learn it is.

Strong interpersonal and communication skills to collaborate and demonstrate empathy with

key stakeholders, both spoken and written

Experience with Prometheus, Grafana, Kibana, and other Observability tools are a plus

### **Why You'll Like Working for DigitalOcean:**

**We reward our employees** The salary range for this position is based on relevant years of experience and skills. Employees may qualify for a bonus in addition to base salary; bonus amounts are determined based on company and individual performance. We also provide equity compensation to eligible employees including grants of equity upon hire and the option to participate in our Employee Stock Purchase Program.

**We value development** You will work with some of the smartest and most interesting people in the industry. We are a high-performance organization that is always challenging our teams and employees to continuously grow. We maintain a growth mindset in everything we do and invest deeply in employee development through formalized mentorship and other internal programs. We provide all employees with reimbursement for relevant conferences, training, and education.

**We care about your well-being** In addition to cash and equity compensation, we also offer employees a competitive array of benefits. While the philosophy around our benefits is the same worldwide, specific benefits may vary in other countries due to local regulations and preferences.

**We value diversity and inclusivity** We are an equal-opportunity employer and we do not discriminate on the basis of race, religion, color, national origin, gender, sexual orientation, age, marital status, veteran status, or disability status.
