Pakistan Jobs Expertini®

Software Engineer (Lahore)

Apply Now

Company: CookiesBird Software Solutions

Location: Lahore

Category: other-general

We are looking for a Software Engineer with 0 to 1 year of experience who can develop, extend, and bug-fix our web applications and deliver in-time work with quality, optimization, and efficient coding. Our technology stack includes Ruby on Rails, React JS, Node JS, Shopify, and Shopify Plus.

Nice to have:

Knowledge of the eCommerce industry

Knowledge of Shopify and Shopify Plus

If you are a fresh graduate, no prior knowledge of tools and technology is required but you should have a solid understanding of data structures and algorithms.

Note: Please do not apply

if you're looking for a short-term career because this job will require you to sign an agreement to work with us for at least a year

If you're not comfortable working in the EST/PST timezone.#J-18808-Ljbffr
