Software Engineer

Apply Now

Company: CureMD Healthcare

Location: Lahore

Category: other-general

About Us:

CureMD excels in providing advanced tools and technologies that empower healthcare professionals to make informed decisions about patient care. Our state-of-the-art solutions harness the power of data analytics, artificial intelligence, and machine learning to analyze patient information, decipher patterns, and render actionable insights. These advanced technologies equip physicians with profound insights into each patient's health, enabling them to formulate precise diagnoses, implement highly effective treatment strategies, and deliver top-quality care with ease

Job Overview:

Join our team as a Software Engineer and be at the forefront of creating innovative software solutions. Collaborate with cross-functional teams to design, develop, and maintain cutting-edge applications that drive our technological success. If you're passionate about coding, problem-solving, and contributing to impactful software, we welcome you to apply

Essential Job Responsibilities:

Design, develop, test, maintain and improve the software.

Manage individual project priorities, deadlines and deliverables.

Required Qualifications:

BS degree in Computer Science or Software Engineering.

1 - 3 years of experience in software development in Microsoft based, one or more general-purpose programming languages.

Experience working the following technologies: web application development, HTML, CSS, JavaScript/jQuery, ASP.NET, SQL, WCF, Web APIs, Version Controlling and Application Security.

Experienced in using tools including: Visual Studio, SQL Server, Team Foundation Server.

IT healthcare domain knowledge will be preferable.

O/A levels background will be preferred.

Detailed knowledge of the IIS/Web server.

Interest and ability to learn other coding languages as needed.

Working proficiency and communication skills in verbal and written English.

Compensation and Benefits:

Competitive base salary and yearly bonus.

Health benefits (Outpatient, Inpatient, Maternity).

Provident Fund company matches up to 8% of the base salary.

Company-sponsored trainings, workshops, education, and development programs.

Collaborative yet fun-loving atmosphere: space that fosters employee wellbeing.

Commuter support, supportive workspaces, gym facility, and daycare.
