The European Technology Chamber is a registered NGO that enables European companies to use their technologies for the benefit of Europe and mankind - following our vision Technology obliges. As Europe's leading tech network, we are constantly enlarging our team to serve our network even better.

We are currently building our team and now searching for

Project Manager Contaminated Sites / Building Demolition (m/f/d) - 100% Remote

Your daily tasks:

You are responsible for the technical planning and design of geothermal systems using open (well systems) and closed systems (geothermal probes, collectors, etc.)

You create feasibility studies and take over the technical planning from preliminary planning to execution planning.

As part of the projects, you prepare tender documents and coordinate subcontractors and suppliers.

As a technical project manager, you support the construction management.

You will also act as a communicative interface to all those involved in the project.

What we are looking for:

Bachelor or Master's Degree in Geosciences, Hydrogeology, Civil Engineering, Renewable Energies, or a related field.

5+ years of professional experience in the area of geothermal energy / energy concepts / renewable energies

Motivated to acquire specialized knowledge through internal and external training.

Knowledge of EED and/or EWS is desirable. Familiarity with Feflow and AutoCAD is advantageous.

Excellent written and verbal communications skills.

We offer:

We stand for the vision of a better and more sustainable world - hand in hand with European technology companies. With the personalities who are active in our organization worldwide, you create a great network and inspiration for your daily work - also for your personal future. So you get the chance to grow with us and the whole EU Tech Chamber. Our offer is a role in a fast-moving international organization. If you are looking for an activity with meaning and real impact in a fast growing and truly international organization, apply now with your resume.
