

Sr. Digital Marketer

[Apply Now](#)

Company: Digital Firm

Location: Karachi

Category: other-general

This is an on-site salaried position, based in Islamabad, Pakistan. Please do not contact us about outsourcing. And please no recruiters.

Digital Firm, founded in 2012, is a Digital Agency located in Islamabad. We are an incredibly talented group with one goal, to do awesome work. We have tripled in size from 2021 to 2022, and we're just getting started. We've got an awesome setup here from class A office space to ping pong to xbox to massages.

We're looking for someone who is experienced with onsite seo and paid search. You'll be working in a team to collaborate on marketing clients that need everything from basic seo to complex full service digital marketing plans. You will be involved in strategy sessions with this team and you'll be assigned specific tactics you will be responsible for the execution of.

You'll also have an entire design department and programming division at your disposal.
