Bhd.). RKSA, incorporated on April 30 1984, is the pioneer in roller chain industry having

most modern infrastructures and state of the art machineries. The core business of RKSA is

the manufacturing of motorcycle chain, bicycle chain and industrial chain. Most of the chains

produced at RKSA carry the renowned house brand "RK-M" or "SSS". With more than 25

years of experience, RKSA has established itself as a leader and successful manufacturer in

the roller chain industry by supplying its products throughout whole Malaysia and Overseas. In

Malaysia, RKSA covers 100% of the OEM market (HONDA, YAMAHA, SUZUKI, KAWASAKI

and MODENAS) and 70% of the REM market. Located strategically at Prai Industrial Estate

and 13km away from the Penang International Seaport has made logistic easy for RKSA

not only locally but also internationally. RKSA's products can be found in Japan, USA,

Middle East, ASEAN countries, India, Pakistan, Europe and etc.
