Team Lead / Senior Full-Stack Wordpress Developer

Web Cause, PakistanWebCause Inc. is looking to hire talented and motivated WordPress Technical Team Lead with experience of working on Themeforest and developing custom WordPress plugins from scratch.

If you are a senior WordPress developer with leadership skills and looking to step up your game, Apply Now!

About us

We're a friendly group of WordPress designers, developers, testers, and marketers having a great time building all things WordPress. We live WordPress and we breath WordPress.

Leadership Responsibilities:

Own the entire development methodology process at WebCause.

Mentor, train, manage and lead a team of junior to mid-level developers.

Contribute technically and lead the development team ensuring end-to-end delivery with technical excellence.

Review code for technical accuracy, performance and standards.

Create, manage and maintain documentation for projects and development workflow.

Work as a bridge between the management and team for task and deadline management and delivering on project milestones.

Development Responsibilities:

Develop custom and commercial WordPress themes from scratch for clients / WordPress repository and Themeforest.

Develop custom WordPress plugins from scratch.

Develop themes and plugins for WooCommerce.

Develop custom Gutenberg blocks and plugins.

Customize existing plugins and add features as per requirement.

Integrate complex third-party APIs including REST and GraphQL.

Custom integration of payment gateways and shipping APIs in WooCommerce.

Create solutions for complex frontend and backend issues in WordPress themes and plugins.

Required Experience:

5+ years of proven experience as a WordPress developer on production sites.

1+ years of experience leading WordPress development team.

Proven experience developing commercial themes and plugins for themeforest and WordPress repository.

Extensive experience implementing complex WordPress sites.

Experience architecting and writing your own plugins and frameworks.

Portfolio website and/or samples of past work and completed projects.
