Apply Now

Company: EY

Location: Karachi Division

Category: management

Oracle Consulting practice in EY, a part of the ERP Consulting services, provides consulting services to clients with a focus on Enterprise Integration, Business Intelligence and Governance, Risk and Compliance solutions. We assist clients in the successful deployment of Oracle's full suite of enterprise applications which includes Oracle eBusiness Suite, Fusion (HCM cloud, CRM cloud, infra on cloud) Siebel, PeopleSoft, Primavera, and Hyperion product ranges.

We help to clients throughout the life cycle of an ERP deployment, starting from package selection, RFP creation, vendor selection, program management and program office setup, ERP implementation, Process mapping, pre-Implementation review, post implementation review and support. Our solutions and services are aimed to provide solutions in areas of Financial Management, Human Resources Management, Project Management, Supply Chain Management, Customer Relationship Management and Corporate Performance Management.

EY Rapid Innovation

As a Multinational Member Firm in the EY network, Rapid Innovation, based in Pakistan, exclusively provides its services to MENA based EY Member Firms across the MENA region, excluding Pakistan. The work is executed remotely by working virtually with our MENA onshore teams and sometime may require travel to MENA EY offices.

The Opportunity

Rapid Innovation is recruiting for an Oracle Technical Consultant to join our rapidly expanding Technology Consulting team in Pakistan.

What we look for

We are interested in entrepreneurs who have the confidence to develop and promote a brand-new strategic vision both internally and externally. You will be business savvy with a passion for innovation as well as the motivation to create your own EY journey. If you have significant experience in Oracle Financials and evolving technologies within and are passionate about improving the performance of businesses, this is the role for you.

What we offer

We offer a competitive compensation package where you'll be rewarded based on performance and recognized for the value you bring to our business. Plus, we offer:

Continuous learning: You'll develop the mindset and skills to navigate whatever comes next.

Success as defined by you: We'll provide the tools and flexibility, so you can make a meaningful impact, your way.

Transformative leadership: We'll give you the insights, coaching and confidence to be the leader the world needs.

Diverse and inclusive culture: You'll be embraced for who you are and empowered to use your voice to help others find theirs.

If you can demonstrate that you meet the criteria above, please contact us as soon as possible.

The exceptional EY experience. It's yours to build.

EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask

better questions to find new answers for the complex issues facing our world today.
