

## Tele-Sales executives

[Apply Now](#)

Company: Aua Solutions

Location: Karachi

Category: other-general

### Company Overview:

AUA Solutions is a US-based Business Process Outsourcing company with offshore operations in Karachi. Being a full-service BPO shop, AUA Solutions provides a gamut of services that include; customized software solutions, web and media design services, call center and telemarketing functions, research and data entry services as well as other back office and non-core functions for its clients worldwide.

### Opportunity: Tele-Sales Executives

We are currently seeking highly charged telemarketing professionals for our International Call Center (Evening Shifts with van drop service). We provide world-class offshore integrated services to financial services and communications industries including; telesales, appointment setting and lead generation services that supplement our clients' onshore sales and marketing efforts.- Excellent fluency in spoken English along with an American or Neutral/Light accent

- Strong Communication Skills and ability to conduct two-way dialog over the phone
- Must possess a flair for indoor sales, and ability to convince.
- Possess computer literacy and keyboarding skills.
- O' and A' Level students or Business majors preferred.
- Experience not required; however, preference will be given to applicants with prior international call center experience.

### Compensation:

We offer state-of-art call center working environment, top-of-the-market base salary, hefty sales commissions, performance incentives, promotions and growth opportunities, and salary

increments along with door-to-door transportation facility or allowance. AUA Solutions is an Equal Opportunity Employer and highly encourages minorities and females to apply. Information Technology and Services - Karachi, Pakistan#J-18808-Ljbfrr
