With Professional Experience

4/2/24

The European Technology Chamber is a registered NGO that enables European companies to use their technologies for the benefit of Europe and mankind - following our vision Technology obliges. As Europe's leading tech network, we are constantly enlarging our team to serve our network even better.

We are currently building our team and now searching for

TGA Specialist Planner / District - Related Energy Concepts (m/f/d) - 100%

Remote

Your daily tasks:

You are responsible for the technical planning and design of thermal energy generation systems.

You create technical concepts, do the preliminary planning and work on approval and execution planning (Phase 1-5)

As part of the projects, you prepare tender documents and coordinate subcontractors and suppliers.

As a technical project manager, you support the construction management.

You will also act as a communicative interface to all those involved in the project.

What we are looking for:

Bachelor or Master's Degree in Environmental ~~ity~~ / Renewable Energy Engineering or a related field.

5+ years of professional experience, you have acquired specialist knowledge in the area of TGA planning / energy concepts

You are motivated to acquire specialist knowledge through internal and external training

Certified Energy Consultant according to BAFA (Federal Office for Economic Affairs and Export Control) is desirable.

AutoCAD, Polysun software knowledge desirable

Excellent written and Verbal communication skills.

We offer:

We stand for the vision of a better and more sustainable world - hand in hand with European technology companies. With the personalities who are active in our organization worldwide, you create a great network and inspiration for your daily work - also for your personal future. So you get the chance to grow with us and the whole EU Tech Chamber. Our offer is a role in a fast-moving international organization. If you are looking for an activity with meaning and real impact in a fast growing and truly international organization, apply

now with your resume.

You can find more information about us at www.eutech.org
