

## Web Developer

[Apply Now](#)

Company: F16Media LTD

Location: , , Pakistan

Category: other-general

F16Media LTD is seeking a talented and creative Web Developer to join our dynamic team. You will play a key role in crafting and building exceptional user experiences across various web projects for our clients. This role offers the opportunity to work on a diverse range of projects, utilizing your web development expertise to bring innovative ideas to life.

**Responsibilities:** Collaborate with designers and project managers to translate design mockups and user stories into functional and responsive websites and web applications. Work with back-end developers (if applicable) to integrate front-end components with server-side functionality. Optimize website performance for speed and user experience. Troubleshoot and resolve website issues effectively. Stay up-to-date on the latest web development trends and technologies. Participate in code reviews and contribute to a collaborative development environment.

**Qualifications:** Bachelor's degree in Computer Science, Information Technology, or a related field (preferred). Minimum 1-2 years of experience in web development (experience with specific frameworks a plus). Experience with responsive web design principles and best practices. Familiarity with web development tools and frameworks (e.g., Git, version control systems, testing frameworks). Excellent problem-solving and analytical skills. Strong attention to detail and a commitment to high-quality code. Effective communication and collaboration skills. A passion for creating user-friendly and visually appealing websites. Competitive salary and benefits package. Opportunity to work on a variety of exciting client projects. Collaborative and fast-paced work environment. Continuous learning and development opportunities. Be part of a growing and innovative agency.

**NOTE :** If you're facing any issues regarding website page then you can

submit your resume along with your portfolio & cover letter on [careers@f16media.agency](mailto:careers@f16media.agency)
